

# WASTE NOT! WHOLE SCHOOL PROJECT

To take the Waste Not message beyond the classroom and into the wider school community, and to enable students to practice and demonstrate what they have learned about waste reduction, our school has committed to the following project.

Name of project .....

Aim of project .....

.....

Brief outline of project .....

.....

Start date ..... Finish date .....

Who will do what.....

.....

.....

How does the project benefit:

The students .....

The school .....

Local community .....

Why did you choose this project? .....

.....

How will you measure the success of the project?

## WASTE NOT! WHOLE SCHOOL PROJECT

What resources or support would benefit the project or allow it to be extended for longer?

.....

What costs does the project involve? .....

.....

What links, if any, does the project have to the National Curriculum?

.....

.....

Would you be willing to have this case study featured on the SUSchool website?

.....

Any other comments .....

.....

Project Co-ordinator.....

School .....

Contact details.....

Thank you for taking the time to complete this form. The feedback you supply helps us to build up a bank of good practice information for dissemination.

Please send completed forms to SUSchool, Alternative Technology Centre, Hebble End Mill, Hebden Bridge HX7 6HN [info@suschool.org.uk](mailto:info@suschool.org.uk)
